

Alexandria Gazette

MONDAY EVENING, MARCH 21.

AN ECONOMICAL BOG.—The Glasgow Herald tells of a wonderful dog in that city, which has adopted the practice of collecting pennies from spectators at his play tricks, and lately made a contribution from his own earnings of 24 to the Royal Infirmary.

A LUNATIC'S QUERER IDEA.—A mobster in Boston, who is known on most matters, has a queer idea of an arrangement which has been effected on him. He has been to an asylum once, and he stoutly asserts that while he was there the persons in charge took out his brains to clean them, and did not put them all back. For this he has written a proposal to sue the city and recover damages.

FOAMING INTO A MONUMENT.—Up to the present time there has not been so much as a tablet by the city at Gravesend, where the first of the following party in the city was buried: 1816, May 21, R. W. A. Wright, wife of Thomas Wright, nee, a Virginia lady born, was buried in the church.

A St. Louis negro woman, arraigned in a police court for assaulting her husband, proved that he had made a miniature coffee and ice-cream bed with her name, that being the vulgar mode of designating her to the devil. She argued that such a course justified her in chastising him.

Opening and Closing of the Streets.

REVENUE.

LIVER

This important organ weighs but about three pounds, and all the blood in a living person (about three gallons) passes through it at least once every half hour, to have the bile and other fluids strained or filtered from it. It is the natural purgative of the bowels, and if the liver becomes torpid it is not separated from the blood, but carried through the veins to all parts of the system, and in trying to escape through the pores of the skin, it causes it to turn yellow or a dirty brown color. The stomach becomes diseased and dyspeptic, indigestion, constipation, headache, biliousness, jaundice, cholera, malarial fever, rheumatism, and other ailments, and general debility follow. MEDICAL BELLS' LIVER TONIC, the great vegetable discovery for torpidity, causes the liver to throw off from one to two ounces of bile each time the blood passes through it, as long as there is an excess of bile; and the effect of even a few drops upon relieving constipation, or a heavy, dirty looking skin, will astonish all who try it—they being the first symptoms to disappear. The cure of all bilious diseases and liver complaint is made certain by taking Bell's Tonic in accordance with the directions. It is generally put up in bottles of 1/2 oz. and 1 oz. and is sold at all drug stores. Price 25c and 50c.

LUNGS

The faculty of Consumption, or Throat and Lung Disease, which swoop to the grave at least one third of all death's victims, arises from the Opium or Morphia treatment, which causes the work of death to be done. It will be found in Opium or Morphia, or any preparation of a plant, Morphine or Prussic Acid can be found in the Globe Flower Cough Syrup which has cured people who are living to day with one remaining lung. No greater wrong can be done than to try the Opium or Morphia cure. THE GLOBE FLOWER COUGH SYRUP will cure it when all other means have failed. Also Colds, Coughs, Asthma, Bronchitis, and all diseases of the throat and lungs. Read the testimonials of the Hon. Alex. H. Stephens and others in our book—free to all at the drug stores. Like no Frolics or Lunatics for Coughs, Throat, when you can get Globe Flower Syrup at some price. For sale by all Druggists. PRICE 25c and 50c.

BLOOD

Grave mistakes are made in the treatment of all diseases that arise from poison in the blood. Not one case of scrofula, syphilis, or skin disease, Ulcers, Rheumatism, or any disease in a thousand is treated with the use of Mercury in some form. Mercury rots the bones, and the disease it produces are worse than any other kind of blood or skin disease can be. Doctor FERRIS' DELICATE is the only medicine upon which a hope of recovery from scrofula, syphilis and Mercurial diseases in all stages, can be reasonably founded, and that will cure Cancer, \$10.00 will be paid by the proprietors if Mercury or any ingredient not purely vegetable and harmless can be found in it. Price by all Druggists 25c.
